## Professionals Only

Please indicate area of interest by checking as many boxes as apply.

Check if you have been in practice for at least 5 yrs and would be open to offering an observational preceptorship to an acupuncture student

### Mission & Purpose

The Washington Acupuncture and Oriental Medicine Association is dedicated to fostering the profession of Acupuncture in the State of Washington as a vital component of modern medicine.

- To provide an informational and supportive network for practitioners of acupuncture medicine.
- To promulgate and uphold the standards of acupuncture education, standards of practice, and professional ethics.
- To promote equitable statutes and regulations relating to acupuncture.
- To offer support and guidance to students of acupuncture, acupuncture training programs, and acupuncture research.
- To provide a forum for the sharing of knowledge in the field of acupuncture and related disciplines.
- To educate the general public and health care professions regarding the nature and scope of acupuncture medicine.
- Such other activities of a charitable and scientific nature related to Oriental medicine as may benefit the knowledge and well-being of the people
